CGS Sec.12-81m. (effective July 1, 1994)

Municipal option to abate up to fifty per cent of dairy farm, fruit orchard or wine grape vineyard property. **A municipality may, by vote of its legislative body or, in a municipality where the legislative body is a town meeting, by vote of the board of selectmen, and by vote of its board of finance, abate up to fifty per cent of the property taxes of any of the following properties provided such property is maintained as a business: (1) Dairy farm, (2) fruit orchard, including a vineyard for the growing of grapes for wine, (3) vegetable farm, (4) nursery farm, (5) any farm which employs nontraditional farming methods, including, but not limited to, hydroponic farming or (6) tobacco farms.** Such a municipality may also establish a recapture in the event of sale provided such recapture shall not exceed the original amount of taxes abated and may not go back further than ten years. For purposes of this section, the municipality may include in the abatement for such fruit orchard any building for seasonal residential use by workers in such orchard which is adjacent to the fruit orchard itself, but shall not include any residence of the person receiving such abatement.

Sec.12-91. (effective July 1, 2003):

Exemption for farm machinery, horses or ponies. (a) All farm machinery, except motor vehicles as defined in section 14-1, to the value of one hundred thousand dollars, any horse or pony which is actually and exclusively used in farming, as defined in section 1-1, when owned and kept in this state by, or when held in trust for, any farmer or group of farmers operating as a unit, a partnership or a corporation, a majority of the stock of which corporation is held by members of a family actively engaged in farm operations, shall be exempt from local property taxation; provided each such farmer, whether operating individually or as one of a group, partnership or corporation, shall qualify for such exemption in accordance with the standards set forth in subsection (c) of this section for the assessment year for which such exemption is sought. Only one such exemption shall be allowed to each

such farmer, group of farmers, partnership or corporation. Subdivision (38) of section 12-81 shall not apply to any person, group, partnership or corporation receiving the exemption provided for in this subsection.

**(b) Any municipality, upon approval by its legislative body, may provide an additional exemption from property tax for such machinery to the extent of an additional assessed value of one hundred thousand dollars. Any such exemption shall be subject to the same limitations as the exemption provided under subsection (a) of this section and the application and qualification process provided in subsection (c) of this section.**

(c) Annually, within thirty days after the assessment date in each town, city or borough, each such individual farmer, group of farmers, partnership or corporation shall make written application for the exemption provided for in subsection (a) of this section to the assessor or board of assessors in the town in which such farm is located, including therewith a notarized affidavit certifying that such farmer, individually or as part of a group, partnership or corporation, derived at least fifteen thousand dollars in gross sales from such farming operation, or incurred at least fifteen thousand dollars in expenses related to such farming operation, with respect to the most recently completed taxable year of such farmer prior to the commencement of the assessment year for which such application is made, on forms to be prescribed by the Commissioner of Agriculture. Failure to file such application in said manner and form within the time limit prescribed shall be considered a waiver of the right to such exemption for the assessment year. Any person aggrieved by any action of the assessors shall have the same rights and remedies for appeal and relief as are provided in the general statutes for taxpayers claiming to be aggrieved by the doings of the assessors or board of assessment appeals.
